

Sec. 22-401. - Adoption of the International Energy Conservation Code.

The 2009 International Energy Conservation Code, copyrighted by the International Code Council, Inc., is hereby adopted as the Energy Conservation Code for Wylie, prescribing regulations applicable to all residential and non-residential structures and existing premises and constitutes minimum requirements and standards for energy conservation. The 2009 International Energy Conservation Code is made a part of this article as if fully set forth herein. One copy of the 2009 International Energy Conservation Code is on file in the office of the city secretary being marked and designated as the 2009 International Energy Conservation Code.
