

Engineering Department Project Update

February 2016

Focus on Roads

To keep up with our growing city of 48,000 residents (220% increase in population since 2000), maintain a high quality of life, provide better access to schools and to promote economic development, Wylie has invested and plans to continue to invest in new and reconstructed roadways throughout the city.

Projects and time lines are constantly reviewed and updated to make sure the current and future transportation needs of the city are met within budget.

Woodbridge Parkway Connects Wylie

Wylie Mayor Eric Hogue, Sachse Mayor Mike Felix and County Commissioner Cheryl Williams joined other leaders Nov. 4, 2014 to officially open Woodbridge Pkwy between FM 544 and Hwy 78 connecting Wylie and Sachse. The mayors had some

fun with a coin toss officiated by Wylie City Manager Mindy Manson to decide who spoke first. Mayor Hogue won with the call of heads. More details at WylieTexas.gov.
