

**NOTIFICATION:**  
**ALARM DISABLED**

9-1-1

Permit # \_\_\_\_\_

Circle One: Burglary Fire Both

Alarm permits are required by City of Wylie ordinance for all homes and/or businesses with security systems. If you are currently utilizing an audible siren able to be heard outside the premise, an alarm permit is still required by the City of Wylie.

**By completing the information below, you are certifying that the security system at the address listed has been disabled and does not require an alarm permit.** Should the City of Wylie respond to an active alarm at the address listed below, the homeowner and/or occupant will be cited for failure to obtain an alarm permit. The fine for not having an alarm permit is \$250 plus court fees.

Please **print** your information in the spaces provided to cancel your alarm permit:
