Loud and Quiet

Quietly, quietly not a sound
I'm listening and I'm listening

As I look around

No sounds as I nod (nod)

No sounds as I clap (clap)

No sounds as I tap my hands on my lap (tap)

Loudly, loudly, stamp and clap (stamp and clap)

Loudly, loudly, stamp and clap (stamp and clap)

Loudly, loudly, stamp and clap (stamp and clap)

All that noise, well fancy that!

If You're Happy and You Know It

If you're happy and you know it,
Clap your hands

If you're happy and you know it,
Clap your hands

If you're happy and you know it,
Then your face will surely show it

If you're happy and you know it,
Clap your hands.

Stomp your feet

Shout "Hurray!"

Do all three

The Finger Band

(tune of The Mulberry Bush)

The finger band is coming to town,
Coming to town, coming to town

The finger band is coming to town so early in the morning

This is the way they wave their hats...

(hands on head to show hats)

This is the way they wave their flags...

(make waving motion with hands)

This is the way they beat their drums...

(beating motion with hands)

This is the way they blow their horns...

(hands to mouth in blowing motion)

The finger band is going away going away, going away

The finger band is going away so early in the morning.
