Songs and Rhymes!

Umbrellas Are No Use

**Umbrellas are no use said John,
The water is knee deep;
When Ned turned his right upside down,
And in it he did leap.**

**Then sailing down the road he went;
In his Umbrella boat;
well done Ned, the neighbors' said,
You're the best Man afloat:
And on he went, while with his Cane,
He steered along the road;
So the Umbrella that you take,
Can take you for its Load.**

5 Little Bats

**(tune: 5 Little Ducks)
5 little bats went on a
flight**

**by the light of the
moon one night**

**Mama bat said squeak
squeak squeak swack!**

**but only 4 little bats
came back.**

Repeat for 4,3,2,1

**No little bats went on a
flight**

**by the light of the
moon one night**

**Mama bat said squeak
squeak squeak swack!**

**and 5 little bats came
flying back!**

**Letter
of the
Week:**

U

Upside Down World

**If buttercups buzzed
after the bee
If boats were on land,
churches on sea**

**If ponies rode men
and if grass ate the cows
And cats should be chased
into holes by the mouse
If the king was the worker
and the peasant wore the crown
If summer were spring
and the other way round
Then all the world would be
upside down**

Bats are sleeping, Bats are sleeping

Upside down, upside down
