THIS INDEMNIFICATION PROVISION AND THE USE OF THE TERM "CLAIMS" IS ALSO SPECIFICALLY INTENDED TO APPLY TO, BUT NOT LIMITED TO, ANY AND ALL CLAIMS, WHETHER CIVIL OR CRIMINAL, BROUGHT AGAINST CITY BY ANY GOVERNMENT AUTHORITY OR AGENCY RELATED TO ANY PERSON PROVIDING SERVICES UNDER THIS AGREEMENT THAT ARE BASED ON ANY FEDERAL IMMIGRATION LAW AND ANY AND ALL CLAIMS, DEMANDS, DAMAGES, ACTIONS AND CAUSES OF ACTION OF EVERY KIND AND NATURE, KNOWN AND UNKNOWN, EXISTING OR CLAIMED TO EXIST, RELATING TO OR ARISING OUT OF ANY EMPLOYMENT RELATIONSHIP BETWEEN CONTRACTOR AND ITS EMPLOYEES OR SUBCONTRACTORS AS A RESULT OF THAT SUBCONTRACTOR'S OR EMPLOYEE'S EMPLOYMENT AND/OR SEPARATION FROM EMPLOYMENT WITH THE CONTRACTOR, INCLUDING BUT NOT LIMITED TO ANY DISCRIMINATION CLAIM BASED ON SEX, SEXUAL ORIENTATION OR PREFERENCE, RACE, RELIGION, COLOR, NATIONAL ORIGIN, AGE OR DISABILITY UNDER FEDERAL, STATE OR LOCAL LAW, RULE OR REGULATION, AND/OR ANY CLAIM FOR WRONGFUL TERMINATION, BACK PAY, FUTURE WAGE LOSS, OVERTIME PAY, EMPLOYEE BENEFITS, INJURY SUBJECT TO RELIEF UNDER THE WORKERS'

IN ITS SOLE DISCRETION, CITY SHALL HAVE THE RIGHT TO APPROVE OR SELECT DEFENSE COUNSEL TO BE RETAINED BY CONTRACTOR IN FULFILLING ITS OBLIGATION HEREUNDER TO DEFEND AND INDEMNIFY CITY, UNLESS SUCH RIGHT IS EXPRESSLY WAIVED BY CITY IN WRITING. CONTRACTOR SHALL RETAIN CITY-APPROVED DEFENSE COUNSEL WITHIN SEVEN (7) BUSINESS DAYS OF CITY'S WRITTEN NOTICE THAT CITY IS INVOKING ITS RIGHT TO INDEMNIFICATION UNDER THIS AGREEMENT. IF CONTRACTOR FAILS TO RETAIN COUNSEL WITHIN SUCH TIME PERIOD, CITY SHALL HAVE THE RIGHT TO RETAIN DEFENSE COUNSEL ON ITS OWN BEHALF, AND CONTRACTOR SHALL BE LIABLE FOR ALL COSTS INCURRED BY CITY.

CONTRACTOR WILL PROCEED UNDER SUBSECTION (C) ABOVE ONLY IF SUBSECTIONS (A) AND (B) PROVE TO BE COMMERCIALY UNREASONABLE.

THE INTELLECTUAL PROPERTY INFRINGEMENT INDEMNIFICATION HEREIN APPLIES TO ALL PRODUCTS PROVIDED, SUPPLIED OR SOLD UNDER THIS AGREEMENT BY CONTRACTOR TO CITY WHETHER MANUFACTURED BY CONTRACTOR OR A THIRD PARTY. CONTRACTOR REPRESENTS THAT, TO THE BEST OF ITS KNOWLEDGE, CITY'S USE OF PRODUCTS THAT ARE PROVIDED SUPPLIED, OR SOLD BY CONTRACTOR TO CITY AS PART OF THIS AGREEMENT DOES NOT CONSTITUTE AN INFRINGEMENT OF ANY INTELLECTUAL PROPERTY RIGHTS AND CITY HAS THE LEGAL RIGHT TO USE SAID PRODUCTS. CITY ENTERS INTO THIS AGREEMENT RELYING ON THIS REPRESENTATION.

THE INDEMNIFICATION AND DEFENSE OBLIGATIONS HEREIN SURVIVE THE TERMINATION OF THE CONTRACT AND/OR DISSOLUTION OF THIS AGREEMENT INCLUDING ANY INFRINGEMENT CURE PROVIDED BY THE CONTRACTOR.

47. **TERMINATION and DEFAULT:** The City of Wylie may, at its option, with or without cause, and without penalty or prejudice to any other remedy it may be entitled to at law, or in equity or otherwise under this contract, terminate further work in whole or in part by giving at least thirty (30) days prior written notice to Contractor with the understanding that all services being terminated shall cease upon the date as indicated.

SECTION I INTRODUCTION

The City of Wylie is located in Collin County, in the northeast part of the Dallas/Fort Worth metropolitan area. Collin County and Wylie are among the most rapidly growing areas of the state. The population of Wylie is currently 47,000. The City's population is expected to grow to 57,000 as a projected build-out population.

The City of Wylie is accepting competitive sealed proposals for professional depository services from qualified institutions who must meet the following criteria:

- Certify that it is a banking institution chartered under laws of the United States or of the State of Texas
- Member of the Federal Reserve System
- Insured by the Federal Depository Insurance Corporation or National Credit Union Administration
- Ability to provide sufficient collateral for deposits
- Compliance with Texas Local Government Code Chapter 105 (as amended), to maintain either a main or branch banking facility located within the city limits of Wylie

The depository services requested include, but are not limited to, the basic services of receiving deposits, paying items, wiring funds out, receiving funds wired in, stop payments, and other normal banking activities. The depository services requested by the City will not include investment transaction activities (other than safekeeping services to include receiving and delivering securities, coupon collections, and maturity collections), retirement or deferred compensation programs. The City plans to manage its own investment portfolio per its Investment Policy (EXHIBIT B). The City retains the right to invest its funds with the financial institution(s) that provide the City with the best rate of return, and/or to separately contract for services by other institutions in addition to those contained in the resulting Depository contract. It is the preference of the City to award and enter into a contract with a single bank.

A. OBJECTIVES OF THE RESULTING AGREEMENT

At the outset, the City wishes to communicate the primary objectives of the Depository agreement. Those objectives are to maximize cash availability and to maximize yield after satisfying the goals of safety and liquidity. In addition:

- To maximize the total dollars earned by the City on account balances in order to be prudent and effective custodians of the City's financial resources.
- To seek a bank that is both capable of providing banking services as described within this CSP, as well as a willingness to be attentive to the City's money matters; including recommendations for progressive processes that may provide additional value to the City.
- To adequately compensate the Depository Bank for services provided and to allow a reasonable profit to be earned, subject to competitive forces in the market place.

Daily wires are received for property tax collections with the largest receipts occurring in December and January.

CITY OF WYLIE, TEXAS

INVESTMENT POLICY

I. INTRODUCTION

Chapter 2256 of Title 10 of the Local Government Code (herein after referred to as the "Public Funds Investment Act") prescribes that each city is to adopt written rules governing its investment practices and to define the authority of the investment officer. The following Investment Policy addresses the methods, procedures, and practices which must be exercised to ensure effective and judicious fiscal management of the City's funds. This Policy shall not apply to the selection, retention or other issues concerning the depositories of the City's funds in demand deposits as provided under Chapter 105 of the Local Government Code.

II. SCOPE

This Policy shall apply to the investment and management of all funds of the City under its control, other than those expressly excluded herein or by applicable law or valid agreement. This Policy shall not supersede the restrictions on investment and use applicable to any specific fund and, in the event of any conflict between this Policy and the requirements of any fund subject hereto, the specific requirement applicable to such fund shall be followed as well as all other provisions of this Policy other than those in conflict. The Employees Deferred Compensation Agency Fund is excluded from coverage under this Policy.

In order to make effective use of the City's resources, all monies shall be pooled into one bank account, except for those monies required to be accounted for in other bank accounts as stipulated by applicable laws, bond covenants or contracts. The bank account will be maintained by pooled fund group for purposes of implementing pooled fund strategies and reporting. The income derived from this pooled investment account shall be distributed by fund in accordance with the City's internal procedures.

III. OBJECTIVES

The City's principal investment objectives, in order of priority, are listed below.

Safety. The primary objective of the City's investment activity is the preservation of principal (capital) in the overall portfolio. Each investment transaction shall seek first to ensure that capital losses are avoided, whether the loss occurs from the default of a security or from erosion of market value.

Liquidity. The City's investment portfolio will remain sufficiently liquid to enable the City to meet operating requirements that might be reasonably anticipated. Liquidity shall be achieved by matching investment maturities with forecasted cash flow requirements, by investing in securities with active secondary markets, and by using state or local investment pools.

Diversification. The governing body recognizes that in a diversified portfolio, occasional measured losses due to market volatility are inevitable, and must be considered within the context of the overall portfolio's return, provided that adequate diversification has been implemented. Therefore, assets held in the common investment portfolio shall be diversified to eliminate the risk of loss resulting from one concentration of assets in a specific maturity, a specific issuer or a specific class of securities.

Yield. The investment portfolio goal (benchmark) against which the yield is compared will be established from time to time by the Finance Director. Recommendations by the Investment Committee will be considered when the performance measure is being established. Efforts to seek higher than the above goal must be consistent with risk limitations identified in this policy and prudent investment principles. The City's investment portfolio shall be designed with the objective of attaining a rate of return which is consistent with the risk limitations and cash flow characteristics of the City's investments.

IV. INVESTMENT COMMITTEE

An investment committee consisting of the City Attorney, City Manager and Director of Finance will

CITY OF WYLIE, TEXAS

INVESTMENT POLICY

meet on a quarterly basis. The Investment Committee shall be authorized to invite advisors to the meetings as needed.

The investment officer will present a brief report of investment activities to the Investment Committee. The primary objectives of the committee will be to

- (1) make recommendations regarding investment strategies
- (2) approve a list of authorized brokers, dealers, banks, savings and loans, credit unions, and pools
- (3) recommend a list of authorized training sources for the state mandated investment training and
- (4) monitor program results.

The committee shall include in its deliberations such topics as performance reports, economic outlook, portfolio diversification, maturity structure, potential risk to the city's funds, and the target rate of return on the investment portfolio. The Investment Committee shall provide for minutes of its meetings.

V. DELEGATION OF AUTHORITY

Management responsibility for the investment program is delegated by the City Council to the City Manager who will designate the Finance Director as Investment Officer (hereinafter referred to as the "Director"). The Director's authority will at all times be limited by conformance with all Federal regulations, State of Texas statutes and other legal requirements including the City Charter and City Ordinances, including this Policy.

The Director shall develop and maintain written administrative procedures for the operation of the investment program consistent with this Policy. The controls shall be designed to prevent, identify and control losses of public funds arising from deviation from this Policy, fraud, employee error, and misrepresentation by third parties, or imprudent actions by employees and officers of the City.

With written approval from the City Manager, the Director may delegate any phase of the investment management program to members of the City staff. Such approval shall state specifically the functions such person is authorized to perform or that the person is authorized to perform all activities of the Director under this Policy. The Director shall obtain and maintain, at the City's expense, fidelity bonds for himself and each of his designees in amounts determined adequate by the Director (which shall not be less than five percent of the amounts subject to this Policy) for each fiscal year as shown by the approved budget. No person may engage in an investment transaction except as provided under the terms of this Policy and the internal procedures established by the Director. A current list of persons authorized to transact investment business and wire funds on behalf of the City shall be maintained by the Director.

At the discretion of either the City Manager or the Director and in any event upon the termination or reassignment of any member of the Director's staff authorized to conduct transactions for the City pursuant to this Policy, the authority of such person shall be revoked and such revocation of authority shall be immediately communicated by the Director orally and in writing to each and every depository, broker/dealer, investment advisor, custodian and other agency or entity with whom the City has any existing or continuing relationship in the management of its investments.

VI. INVESTMENT STRATEGY

The City of Wylie maintains a pooled investment portfolio. The pooled portfolio utilizes specific investment strategies designed to address the unique characteristics of the pooled investment portfolio. The pooled investment portfolio includes Operating Funds, Debt Service Funds, Debt Service Reserve Funds, Capital Projects and Special Purpose Funds. Investment strategies for these different groups are detailed below.

- (1) Investment strategies for operating, debt service, capital project, and special purpose funds have

CITY OF WYLIE, TEXAS

INVESTMENT POLICY

as their primary objective to assure that anticipated cash outflows are matched with adequate investment liquidity. The secondary objective is to create a portfolio structure which will experience minimal volatility during economic cycles.

(2) The investment strategy for the debt service reserve funds shall have as the primary objective the ability to generate a dependable revenue stream from securities with a low degree of volatility. Securities should be of high quality, with short to intermediate term maturities. Except as may be required by a bond ordinance, securities should be of high quality with short to intermediate-term maturities.

VII. STANDARD OF CARE

Investments shall be made with judgment and care, under prevailing circumstances, that a person of prudence, discretion, and intelligence would exercise in the management of the person's own affairs, not for speculation, but for investment, considering the probable safety of capital and the probable income to be derived. Investment of funds shall be governed by the following investment objectives, in order of priority:

- (1) preservation and safety of principal;
- (2) liquidity; and
- (3) diversification; and
- (4) yield.

In determining whether an investment officer has exercised prudence with respect to an investment decision, the determination shall be made taking into consideration:

- (1) the investment of all funds, or funds under the City's control, over which the officer had responsibility rather than a consideration as to the prudence of a single investment; and

- (2) whether the investment decision was consistent with the written investment policy of the City.

The Director and his staff shall recognize that the investment activities of the City are a matter of public record. Therefore, all participants in the investment process shall seek to act responsibly as custodians of the public trust. Investment officials shall avoid any transactions that might impair public confidence in the City's ability to govern effectively.

VIII. INVESTMENTS AUTHORIZED BY THE CITY OF WYLIE

Authorized investments for municipal governments in the State of Texas are set forth in the Public Funds Investment Act, as amended (Section 2256.009-2256.019, Government Code). However, suitable investments for the City of Wylie are limited to the following.

- (1) Direct obligations of the United States or its agents and instrumentalities with a stated maturity of 5 years or less.
- (2) Certificates of deposit issued in the State of Texas with a maximum maturity of 2 years or less and insured by the Federal Deposit Insurance Corporation.
- (3) Fully collateralized direct repurchase agreements with a defined termination date of 2 years or less which are secured by obligations of the United States or its agencies and instrumentalities and pledged with a third party in the City's name. The agreement must be placed through a primary government securities dealer, as defined by the Federal Reserve, or by a financial institution doing business in the State of Texas. Each issuer of repurchase agreements shall be required to sign a master repurchase agreement.
- (4) Approved investment pools as described in Section 2256.016 which are continuously rated no lower than AAA, AAA-m or an equivalent rating by at

CITY OF WYLIE, TEXAS

INVESTMENT POLICY

least one nationally recognized rating agency and have a weighted average maturity no greater than 90 days.

IX. OTHER INVESTMENT GUIDELINES

The City seeks active management of its portfolio assets. In order to meet the objectives of this Policy, the City may from time to time sell securities that it owns in order to better position its portfolio assets. Sales of securities prior to maturity shall be documented and approved by the Director before such a transaction is consummated. Sales of securities yielding net proceeds less than 92% of the book value of the securities must be approved in advance and in writing by the City Manager. Three examples of situations involving the sale of securities prior to maturity are

- (1) swap - to sell an investment to realize a capital gain,
- (2) To better position selected investments due to a change in market conditions,
- (3) To react to emergency liquidity demands.

Each investment transaction must be based upon competitive quotations received from at least three broker/dealers who have been approved by the City in accordance with Texas law.

The purchase and sale of all securities shall be on a delivery versus payment or payment versus delivery basis (i.e., for securities purchases, monies will not be released by the City's safekeeping bank until securities are received at the Federal Reserve Bank for further credit to the City's safekeeping bank. In the case of securities sales, monies will be received by the City's safekeeping bank via the Federal Reserve Bank as the securities are simultaneously released to the purchaser). In this manner the City will always have possession of either its securities or its monies.

X. DIVERSIFICATION AND MATURITY LIMITS

It is the policy of the City to avoid concentration of assets in a specific maturity, a specific issue, or a specific class of securities, with the exception of U.S. Treasury issues. The asset allocation in the portfolio should, however, be flexible depending upon the outlook for the economy and the securities markets.

The City will not exceed the following maximum limits as a percentage of the total portfolio for each of the categories listed below:

Investment Category	Max. % of Portfolio	Max. Maturity
Obligations of the United States or its agencies and instrumentalities.	100%	5 years
Certificates of Deposit	25%	18 mon.
Repurchase Agreements NOT Reverse Repurchase Agreements	100%	2 years

The Director shall evaluate how each security purchased fits into the City's overall investment strategy.

At all times the City shall maintain 10 percent of its total investment portfolio in instruments maturing in 90 days or less. The weighted average maturity of all securities and certificates of deposit in the City's total investment portfolio at any given time (not including cash or demand deposits) shall not exceed 2 years.

XI. SELECTION OF BROKERS/DEALERS

The City shall maintain a list of broker/dealers and financial institutions which have been approved for investment purposes by the investment committee. (For the purpose of this investment policy, Broker/dealer will be used to refer to any brokerage firm, bank, investment pool, or financial institution with which the City does investment business). Securities may only be purchased from those

CITY OF WYLIE, TEXAS

INVESTMENT POLICY

authorized institutions and firms. The authorized broker/dealers will be reviewed at least annually. To be eligible, a broker/dealer must meet at least one of the following criteria: 1) be recognized as a Primary Dealer as defined by the New York Federal Reserve Market Reports Division; or 2) complies with Securities and Exchange Commission Rule 15C3-1, the Uniform Net Capital Requirement Rule. If the City's depository bank also provides custodial and safekeeping services for the City, the bank may not be included as an authorized broker/dealer for the City, however (Non- negotiable Certificate of Deposits are exempt from this policy.

Broker/dealers will be selected and recommended to the investment committee by the Director on the basis of their financial stability, expertise in cash management and their ability to service the City's account. Each broker/dealer that has been authorized by the City shall be required to submit and annually update a Broker/Dealer Information Request form which includes the firm's most recent financial statements. The Director shall maintain a file which includes the most recent Broker/Dealer Information Request forms submitted by each firm approved for investment purposes. A copy of the submitted Broker/Dealer Information Request forms as well as a list of those broker/dealers approved by the City shall be maintained by the Director (See Appendix A).

The City of Wylie will provide all approved securities dealers with a copy of the City's Investment Policy. A principal in the firm must execute a written statement acknowledging receipt and review of the policy and a statement acknowledging that reasonable procedures and controls have been implemented to preclude imprudent investment activities being conducted between the entity and the securities firm (See Appendix B).

All approved broker/dealer firms must have a completed City of Wylie broker/dealer questionnaire, investment policy, written acknowledgment per above guidelines, executed master repurchase agreement, if applicable, and current financial information on file. Certification language should be mutually acceptable

to both parties. An investment officer of the City may not buy any securities from a person who has not delivered to the City an instrument substantially in the form provided by this policy.

The Director shall review the quality of service and financial stability of each broker/dealer and financial institution approved under this Section at least annually. Any approved broker/dealer or financial institution may be removed from the list of approved broker/dealers with the approval of the Director, if in the opinion of the Director, the firm has not performed adequately or its financial position is considered inadequate.

XII. SAFEKEEPING AND CUSTODY

Investment securities purchased for the City will be delivered by either book entry or physical delivery and shall be held in third-party safekeeping by a Federal Reserve Member financial institution designated as the City's safekeeping and custodian bank. The City may designate more than one custodian bank. The City shall execute a Safekeeping Agreement with each bank prior to utilizing the custodian's safekeeping services. Only a state or national bank located within the State of Texas may be utilized as a custodian of securities pledged to secure certificates of deposit. The safekeeping agreement must provide that the safekeeping bank will immediately record and promptly issue and deliver a signed safekeeping receipt showing the receipt and the identification of the security, as well as the City's interest.

The Director shall maintain a list of designated custodian banks and a copy of the Safekeeping Agreement executed with each custodian bank.

The City must approve release of securities in writing prior to their removal from the custodial account. A telephone facsimile of a written authorization shall be sufficient if the custodian orally confirms receipt of the transmission and an exact copy of the document is retained in the City's files. In no event shall the custodial bank be an authorized depository bank,

CITY OF WYLIE, TEXAS

INVESTMENT POLICY

issuer of repurchase agreements in which the City invests or broker/dealer of securities on behalf of the City.

All securities shall be confirmed in the name of the City and delivered to an approved custodial bank or carried at a Federal Reserve Bank in the name of the City. The Custodian shall not otherwise deposit purchased or pledged securities. All book entry securities owned by the City shall be evidenced by a safekeeping receipt issued to the City and signed by the appropriate officer at the custodian bank stating that the securities are held in the Federal Reserve System in a CUSTOMER ACCOUNT naming the City as the "customer." In addition, the custodian bank will, when requested, furnish a copy of the delivery advice received by the custodian bank from the Federal Reserve Bank.

All certificated securities (those transferred by physical delivery) shall: 1) be held by an approved custodian bank or any correspondent bank in New York City approved by the Director; and 2) the correspondent bank or the City's safekeeping bank shall issue a safekeeping receipt to the City evidencing that the securities are held by the correspondent bank for the City.

The original safekeeping receipt for each transaction including purchased securities under a repurchase agreement and collateral securing deposits will be forwarded to the Director or his designee and held in a secured file by the City.

XIII. RECORD KEEPING AND REPORTING

A record shall be maintained of all bids and offerings for securities transactions in order to ensure that the City receives competitive pricing. All transactions shall be documented by the person authorizing the transaction in a form that shows that person's name, the party instructed to execute the transaction, the date, a description of the transaction and a brief statement of the reason(s) for the transaction.

At least annually, the Director shall verify that all securities purchased by or pledged to the City are on hand in appropriate form. The City, in conjunction with its annual financial audit, shall perform a compliance audit of management controls on investments and adherence to the City's established investment policies.

Each depository of the City's funds shall maintain separate, accurate and complete records relating to all deposits of the City's funds, the securities pledged to secure such deposits and all transactions relating to the pledged securities. Each approved custodian shall maintain separate, accurate and complete records relating to all securities received on behalf of the City, whether pledged, purchased or subject to repurchase agreement, as well as all transactions related to such securities. In addition, each depository shall file all reports required by the Texas State Depository Board. Each depository and custodian shall agree to make all the records described in this paragraph available to the Director or designee and the City's auditors at any reasonable time.

All broker/dealers, custodians, depositories and investment advisors shall maintain complete records of all transactions that they conducted on behalf of the City and shall make those records available for inspection by the Director or other representatives designated by the City Council or City Manager.

FORM C
QUESTIONNAIRE

Submitted by: (Name of Institution)

In order to be considered responsive, prospective proponents must answer the following questions. (Please attach additional sheets as needed.)

Depository Information

1. Is the Depository insured by the FDIC?
2. Is the Depository audited annually by an independent CPA firm? If yes, by whom?
3. How does the Depository define non-performing loans and what percent of current loans are so classified?
4. With what money center bank does the Depository have its primary correspondent agreement?
5. Name the bank holding company with which the Depository is associated (if applicable) and describe the legal and financial relationship between the Depository and the holding company.
6. Is the Depository a branch bank or will it soon become a branch bank? If so, please indicate which services will be provided from the Depository's present location and which will be provided from the main bank. Also, please indicate service location throughout the proposal where applicable.
7. Indicate the Depository's capital to assets ratio for the last five years.
8. What was the Depository's return on assets for the last audited fiscal year?
9. Has the Depository had any significant problems noted by regulatory agencies in the past 24 months? If "yes", please explain.
10. Please list other public funds customers in the Dallas area that the Depository currently serves as a depository as well as the name and telephone number of a contact person for each.

Treasury Management Services

11. Based on the City's monthly activity, list minimum ledger and collected balances required to earn interest.
12. Explain the Depository's availability schedule and an explanation of funds credit with the Depository doing the City's encoding.
13. Explain the parameters of the Depository's sweep account service where excess funds are invested at a higher rate overnight.

14. Describe any other cash management or depository service that could be offered to the City. List all charges that may apply.
15. Each deposit batch, with adding machine tape, is sealed in plastic deposit bags and deposited directly to the Depository by courier. If errors occur, the City requires a credit or debit advice to be mailed to the City immediately after the account has been adjusted. Notification should include a copy of the City's tape showing the item in question and/or a copy of the check in question along with other appropriate documentation attached to justify the correction. Phone notification is preferred for material amounts. State any other procedure for deposits that the depository would recommend or require.
16. In order to fund check presentments and manage the City's bank accounts and investments, daily check presentment totals must be made known to the City no later than 10:30 a.m. Notification after this time may result in the City not being able to adequately fund checks. If the master account has not been properly funded due to late notification, what procedure does the Depository follow to assure payment on these checks?
17. The City frequently initiates time sensitive wire transfers which must be received by the beneficiary by a certain time of day, such as 10:00 a.m. Please describe the Depository's daylight overdraft policy with respect to such transfers where the funding for the transfer has not yet been credited? What is the Depository's internal review and approval process for releasing such transfers?
18. Does the depository have an established maximum dollar value limit which may not be exceeded by an individual check? Are there any other restrictions regarding individual check amounts?
19. The City transmits direct deposit information in NACHA format via a computer and modem for citizen water bills, payroll, and medical premiums. Please list appropriate cut-off times that would apply. On-line banking services for ACH transmittal is preferred. Please state the Depository's on-line services regarding ACH files.
20. Does the Depository offer a program which allows payroll to be paid to employees through a debit card rather than issuing checks and/or direct deposit to the employee's checking account?
21. State whether the Depository offers or requires a check fraud control service. If "yes", please describe and list charges.
22. State whether the Depository would offer any type of special programs or other incentives for City employees.
23. Please describe the process by which service problems can be resolved. What person or organization unit is available for complaint or problem resolution?
24. The City requires on-line services for account balance inquiry, reports, stop payments, ACH transactions, and wires. Describe the Depository's on-line internet banking services to be provided to the City and the associated costs.
