CLARIFICATION:

1. **QUESTIONS & ANSWERS:**

A. (Q) Do we need to purchase new plans and specifications for this project if we bought them for the canceled bid W2017-77-B?

(A) There were several changes and additions to the new plan set and bid schedule. Birkhoff, Hendricks & Carter, who are distributing the plans, are making CD's with PDF files of the plans and specifications available for \$15.00 to lower the cost of obtaining new materials.

B. (Q) Is the bid revised by addendum or completely new? If we were at the Pre-Bid Meeting for W2017-77-B and site visit, will it count as the mandatory requirement?

(A) Bid W2018-33-B is new. Vendors must comply and complete anything marked as mandatory to submit a bid, including site visit.

2. Vendors who may have already submitted a bid and feel this addendum may change their bid price may pick up their bid and return it **prior to January 19, 2018 @ 3:00 PM.** If picking up the bid is not feasible, any new bid submitted by your firm will supersede one previously submitted.

3. If you have any questions regarding this addendum, please contact the City of Wylie Purchasing Department, (972) 516-6131.
