Whereas, Nathan Porter has earned the rank of Eagle Scout by the Boy Scouts of America; and

Whereas, the conferring of an Eagle Scout is one of the highest awards bestowed upon a Boy Scout; and

Whereas, less than five percent of all Scouts attain this goal; and

Whereas, this achievement carries with it great honor and a commitment to continue to develop leadership skills, and to serve as a guide and role model for both community and nation; and

Whereas, such an award is earned in that the recipient must perform and successfully complete and pass the rigid requirements exacted to achieve the Eagle Scout Award; and

Whereas, Nathan Porter’s Eagle Scout service project, dedicated to the nineteen Granite Mountain Hotshot Firefighters that lost their lives last year in the Yarnell Hill, Arizona, fire, was to clear the overgrowth and reduce the fire danger at the Alderwood campground, in the Tonto National Forest, near Young, Arizona.

Now, Therefore, the Mayor of the City of Wylie hereby extends his congratulations to Nathan Porter for having an Eagle Scout Award conferred upon him by the Boy Scouts of America.

In Recognition Therefore, I, Eric Hogue, Mayor of the City of Wylie, Texas, present this proclamation to Nathan Porter, on this the 16th Day of February 2014, in honor of his achievement of attaining the rank of:

“Eagle Scout”

Eric Hogue, Mayor
City of Wylie
State of Texas
