OFFICE OF THE MAYOR

Proclamation

Whereas, Public Safety Telecommunicators are the first and most critical contact our citizens have with emergency services; and

Whereas, the skill, quick action and expertise of Public Safety Telecommunicators are often the difference between life and death; and

Whereas, Public Safety Telecommunicators are ready to serve 24 hours a day, seven days a week, 365 days a year; and

Whereas, Public Safety Telecommunicators are the vital link between the citizen and the prompt response of public safety officials critical to the protection of life and preservation of property; and

Whereas, the Public Safety Telecommunicators spirit of public service and dedication to the well being of others is an inspiration to us all; and

Whereas, Wylie’s Telecommunicators demonstrated their extraordinary skills during last year’s devastating April 11 hail storm, remaining calm and focused, even as the record-breaking hail penetrated the roof of the Public Safety Complex.

Now, therefore, I, Eric Hogue, Mayor of the City of Wylie, on behalf of the Wylie City Council, on this the 11th day of April 2017, call upon all citizens to recognize the 9th day of April 2017, through the 15th day of April 2017, as:

“Public Safety Telecommunications Week”

In the City of Wylie, Texas.

Eric Hogue, Mayor
City of Wylie
State of Texas
