Whereas, in 1901 Mr. Birmingham, Mr. Stone and Dr. Kreymer traveled to Austin, Texas, to meet with the state legislature for the purpose of creating the Wylie Independent School District; and

Whereas, the Wylie Independent School District has experienced tremendous growth over the past 116 years now serving over 15,000 students on 20 campuses located throughout Wylie and surrounding communities; and

Whereas, the Wylie Independent School District focuses on academic excellence through outstanding educational opportunities and award-winning extracurricular activities, based on community values; and

Whereas, the Wylie Independent School District consistently meets the state’s highest academic standards receiving high marks in academic achievement and post-secondary readiness; and

Whereas, the Wylie Independent School District has worked to create world-class programs for our children while maintaining Wylie’s unique sense of community and hometown feel; and

Whereas, teachers and administrators are the heart and soul of our school district, working every day to prepare our children for a bright future.

Now therefore, I, Eric Hogue, Mayor of the City of Wylie, Texas, on behalf of our entire city, on this the 3rd day of August 2017, am honored to welcome our new teachers and administrators and challenge you to embrace the great city of Wylie, Texas, and the mission of the Wylie Independent School District to sustain a culture of high expectations while valuing unity, relationships and trust.

Eric Hogue, Mayor
City of Wylie
State of Texas
