Whereas, Michael Thomas Evans has earned the rank of Eagle Scout by the Boy Scouts of America; and

Whereas, the conferring of an Eagle Scout award is one of the highest honors bestowed upon a Boy Scout; and

Whereas, less than five percent of all Scouts attain this goal; and

Whereas, this achievement carries with it great honor and a commitment to continue to develop leadership skills and to serve as a guide and role model for both community and nation; and

Whereas, such an award is earned in that the recipient must perform and successfully complete and pass the rigid requirements exacted to achieve the Eagle Scout Award; and

Whereas, Michael Thomas Evans’ Eagle Scout service project was to beautify the grounds of St. Anthony Catholic Church, his place of worship, by removing dead shrubs at the entrance of the property and replacing them with Crepe Myrtles.

Now, Therefore, the Mayor of the City of Wylie hereby extends his congratulations to Michael Thomas Evans for having an Eagle Scout award conferred upon him by the Boy Scouts of America.

In Recognition Therefore, I, Eric Hogue, Mayor of the City of Wylie, Texas, present this proclamation to Michael Thomas Evans, in honor of his achievement of attaining the rank of:
