Whereas, Zachary Max Denlar has earned the rank of Eagle Scout by the Boy Scouts of America; and

Whereas, the conferring of an Eagle Scout is one of the highest awards bestowed upon a Boy Scout; and

Whereas, less than five percent of all Scouts attain this goal; and

Whereas, this achievement carries with it great honor and a commitment to continue to develop leadership skills and to serve as a guide and role model for both community and nation; and

Whereas, such an award is earned in that the recipient must perform and successfully complete and pass the rigid requirements exacted to achieve the Eagle Scout Award; and

Whereas, Zachary Max Denlar's Eagle Scout service project was to lead a group of volunteers to build and install birdhouses on the Wylie Municipal Complex trail.

Now, Therefore, the Mayor of the City of Wylie hereby extends his congratulations to Zachary Max Denlar for having an Eagle Scout Award conferred upon him by the Boy Scouts of America.

In Recognition Therefore, I, Eric Hogue, Mayor of the City of Wylie, Texas, present this proclamation to Zachary Max Denlar, on this the 14th Day of April 2018, in honor of his achievement of attaining the rank of:

“Eagle Scout”

Eric Hogue, Mayor
City of Wylie
State of Texas
