Whereas, motorcycles are a popular form of recreation and efficient transportation for citizens of Wylie and millions of riders throughout the United States; and

Whereas, motorcyclists are more prone to injury or death in a crash than drivers of automobiles, trucks or other vehicles; and

Whereas, the safe operation of a motorcycle requires the use of special skills developed through a combination of training and expertise, the use of good judgment, and a thorough knowledge of traffic laws and licensing requirements; and

Whereas, Motorcycle Safety Awareness Month helps prevent accidents, injuries, and fatalities associated with motorcycling by encouraging motorcycle operators to participate in rider education programs, wear the proper apparel, and operate their vehicle defensively; and

Whereas, Motorcycle Safety Awareness Month encourages other motor vehicle operators to share the roadways and be cautious of motorcyclists.

Now therefore, I, Eric Hogue, Mayor of the City of Wylie, Texas, on this the 8th day of May 2018, am honored to hereby proclaim the month of May 2018, as

“Motorcycle Safety Awareness Month”

in Wylie, Texas, and urge all citizens to be aware of motorcycle riders on our streets and highways and unite in recognizing the importance of the safe sharing of roadways throughout Wylie and the State of Texas.

Eric Hogue, Mayor
City of Wylie
State of Texas
