**Wylie Wild Bunch Educating Students on Fire Safety with ‘Toy Story’ Theme**

**WHAT:** Wylie firefighters known as the Wylie Wild Bunch return to Wylie ISD elementary schools, private schools and day cares with a new 30-minute, live fire prevention program. This year’s show features a “Toy Story” theme: “Andy Goes to College.” It will teach such behaviors as stop, drop, and roll, the importance of smoke detectors, calling 911, and EDITH (exit drill in the home).

Capt. Ray Jackson heads up the program; appearing in the performances will be Driver/Engineer Brandon Storm, Driver/Engineer Brian Moriarty, Firefighter Cale Wardlaw, and Firefighter Zac Hawkes, with Fire Inspector/Investigator Joe Wetzel running sound.

As in years before, there will be interactive elements to the performance. A set, designed and built by firefighters, serves as the backdrop for this year’s show. As always, the Wylie Wild Bunch will bring smiles to kids’ faces as they combine lessons and laughter.

**WHEN:** Oct. 15 – Nov. 1, 2019
