KEEPING KIDS SAFE

Wylie firefighters recently visited elementary schools and daycares throughout the area in honor of fire safety month, presenting an entertaining and educational show. Each year, the “Wylie Wild Bunch” creates a different play that teaches fire safety concepts to kids. Smith Elementary student Piper Struthers (pictured) paid close attention to the lesson.

MIX AND MINGLE

Area residents enjoyed learning more about cosmetic treatments straight from the experts during the fall open house event held recently at American Institute for Plastic Surgery. They received Readers' Choice honors in Living Magazine this year. For more, check out AI4PS.COM.
