Whereas, Wylie Dunham Jr. earned the rank of Eagle Scout by the Boy Scouts of America; and

Whereas, the conferring of an Eagle Scout award is one of the highest honors bestowed upon a Boy Scout; and

Whereas, less than five percent of all Scouts attain this goal; and

Whereas, this achievement carries with it great honor and a commitment to continue to develop leadership skills and to serve as a guide and role model for both community and nation; and

Whereas, such an award is earned in that the recipient must perform and successfully complete and pass the rigid requirements exacted to achieve the Eagle Scout Award; and

Whereas, Wylie Dunham Jr.’s Eagle Scout service project was to build two 6-foot benches and a wrap-around tree bench at Harrison Intermediate School providing additional seating for staff and students.

Now, Therefore, the Mayor of the City of Wylie hereby extends his congratulations to Wylie Dunham Jr. for having an Eagle Scout award conferred upon him by the Boy Scouts of America.

In Recognition Therefore, I, Eric Hogue, Mayor of the City of Wylie, Texas, present this proclamation to Wylie Dunham Jr., in honor of his achievement of attaining the rank of:

“Eagle Scout”

Eric Hogue, Mayor
City of Wylie
State of Texas
