Whereas, public works professionals focus on infrastructure, facilities, and services that are of vital importance to sustainable and resilient communities and to the public health, high quality of life, and well-being of the people of Wylie; and

Whereas, this infrastructure and these facilities and services could not be provided without the dedicated efforts of public works professionals, who are engineers, managers, and employees at all levels of government and the private sector, who are responsible for rebuilding, improving, and protecting our nation’s transportation, water supply, water treatment and solid waste systems, public buildings, and other structures and facilities essential for our citizens; and

Whereas, it is in the public interest for the citizens, civic leaders and children in Wylie, Texas, to gain knowledge of, interest in, and understanding of the importance of public works and public works programs in their community; and

Whereas, the year 2019 marks the 59th annual National Public Works Week sponsored by the American Public Works Association.

Now, therefore, I, Eric Hogue, Mayor of the City of Wylie, Texas, on this the 23rd day of April 2019, am honored to proclaim the 19th day of May 2019, through the 25th day of May 2019 as:

“National Public Works Week”

In the City of Wylie, Texas, and urge all citizens to join with representatives of the American Public Works Association and government agencies in paying tribute to our public works professionals, engineers, managers, and employees and to recognize the substantial contributions they make to protecting our health, safety, and quality of life.

Eric Hogue, Mayor
City of Wylie
State of Texas
