## My Little House

I'm going to build a little house  
With windows wide and bright.

(Stretch arms out to sides)

With chimney tall and curling  
smoke

Rising out of sight. (Spiral hand  
upward)

In winter when the snowflakes  
fall

Or when I hear a storm, (Cup  
hand behind ear)

I'll go and sit inside my house  
Where I'll be snug and warm.  
(Hug self)

A House is a House for Me by Mary  
Ann Hoberman

A hill is a house for an ant, an ant.

A hive is a house for a bee.

A hole is a house for a mole or a  
mouse

And a house is a house for me!

A web is a house for a spider.

A bird builds its nest in a tree.  
There is nothing so snug as a bug  
in a rug

And a house is a house for me!

Here is a hive for a bee. (make fist with one hand, wrap

And here is a house for me. (put arms above head with

## Building a House by Diane Thom

Building a house is lots of work, (Wipe brow)

First, you dig up lots of dirt. (Pretend to dig)

Then you pour a concrete floor, (Touch floor)

And pound up boards with nails galore. (Pretend to hammer)

Doors and windows go in fast (Draw squares in air with finger)

Now your house is done at last. (Clasp hands together above head)
