Twinkle Song

Sung to: "London Bridge"

Twinkle, Twinkle Little stars
Friends of Jupiter and Mars
All you do the whole night through
Is Twinkle, Twinkle, Twinkle
Shine on shine on friends of mine
If wishes really do come true
Please oh please oh please come true
The wish I wish tonight on you
Then tomorrow All day through
I'll Twinkle, Twinkle, Twinkle.

Stars fingerplay

At night I see the twinkling stars
(fist up and open hands over your head)
And a great big smiling moon
(circle arms overhead)
My Mommy tucks me into bed
(Lay pointer of one hand across the palm of the other hand)
And sings a good-night tune.
(Rock your hands back and forth)

Stars

Sung to: "Twinkle, Twinkle, Little Star"

Twinkle, twinkle, little star, I know what you really are:
Giant ball of glowing gas, One of billions in a mass!
Twinkle, twinkle, little star, Oh, how big you really are!
Twinkle, twinkle, giant star, Larger than the Earth by far!
Since your distance is a lot, You look like a tiny dot.
Twinkle, twinkle, giant star, Very bright, yet very far!
Stars are twinkling, every one, Some are bigger than the sun!

Just a twinkle in the sky, Just because you're oh, so high!
Twinkle, twinkle, little star, Oh how big you really are.

Tuning Up For Outer Space

Sung to: "The Farmer in the Dell"

The sun is in the sky. The sun is in the sky.

Hot and bright, it gives us light.

The sun is in the sky.

The moon is in the sky.

The Moon is in the sky.

Around and 'round the earth it goes.

The moon is in the sky.

The stars are in the sky.

The stars are in the sky.

Twinkly bright, they shine at night.

The stars are in the sky.

There's a Tiny Little Star

Sung to: "Little White Duck"

There's a little tiny star

Way up in the sky.

A little tiny star,

Up so very high

She twinkles brightly

Through the night:

The stars are shining oh so bright.

There's a little tiny star

Way up in the sky.

A little tiny star.
