Wordless Picture Books

If you want your kids to be good readers, why share wordless picture books? Isn't reading all about letters and words? Reading is: to inspect and apprehend the meaning of writing or other signs or characters. So, reading a book means gaining meaning from words and from pictures. Here are some key reading skills kids build when they read wordless books: 1. Comprehension, 2. Print Concepts, 3. Sequencing, 4. Inferring, 5. Predicting and 6. Vocabulary (studies have shown parents use more complex language when sharing a wordless book with their child than when reading a book with words).

Caldecott

J CALD PIN The Lion & the Mouse, Jerry Pinkney
In this wordless retelling of an Aesop fable set in the African Serengeti, an adventuresome mouse proves that even small creatures are capable of great deeds when she rescues the King of the Jungle.

E GUT  
*Letter Lunch*, Elisa Gutierrez

In this wordless story, a hungry brother and sister, hoping for a tasty alphabet lunch, forage for edible letters in their back yard, at the local market, and through the woods before cooking up a feast of vowel-seasoned consonants to share with friends.

E HOG  
*Cool Cat*, Nanny Hogrogian

A story about a cat who turns the drab world around him into a Rousseau-style masterpiece with an old paint box, a troop of helpful animals, and a lot of imagination.

E JAY  
*Welcome to the Zoo*, Alison Jay

In this fanciful visit, Alison Jay summons her unique perspective and sense of humor to create a zoo like no other where more than just the animals are on display. Children will delight in discovering small details and tracking narratives that play out bit by bit. Before the tour is over, kids will meet hippos, giraffes, penguins pursuing a platter of fish, exotic birds, bears, mischievous monkeys, and much more. There’s a search-and-find element too: The last spread invites readers to go back and discover a number of amusing details throughout the book.

E KHI  
*Where is the Cake Now?*, Tjong Khing The

In detailed, active illustrations, readers watch a group of animals who decide to have a picnic. The animals travel all around the richly rendered countryside, up hills and over rivers, searching for the perfect place to set up their food. But trouble looms—when they finally find the right spot, the all-important cake is missing! Children can help the animals recover their cake in a unique picture book that rewards multiple reads.
Leaf, Stephen Michael King

As a little boy runs in a panic from a haircut, a bird drops a single seed right on top of the boy's head. Time passes and a leaf soon grows. Instead of trying to rid himself of his new living hairstyle, the boy learns how to make the leaf grow and winds up growing himself.

Mirror, Suzy Lee

In a book without words, a young girl finds joy in interacting with her mirror image, but discord between the two surfaces when they are no longer imitating one another.
